

## Champions Against Violence Workshop

Tuesday, 6<sup>th</sup> March 2012, 10.30am to 3.30pm, at 73 Churchgate, Leicester, LE1 3AN

Champions Against Violence (CAV) is an experiential learning programme for young people, tackling issues of bullying and domestic violence. Diversity Hub ([www.diversityhub.org.uk](http://www.diversityhub.org.uk)) in collaboration with local schools has been running this programme for almost 3 years. Diversity Hub is now reflecting on our experience of delivering the programme and the evidence gathered through our evaluation with the aim of consolidating our learning for what might come next.

You might come to this workshop if:

- Bullying and domestic violence (DV) is a new area of work for you and you are interested in CAV, or
- You have experience in this area of work and would like an opportunity to share your experiences, or
- ...you are interested in influencing what happens next and answering the question.....so what?
